Offers must be for cash. Once an offeror is notified that its bid was accepted, the bidder has 10 business days, unless specifically extended at the sole discretion of the City, to deliver to the City Clerk (A) a cashier's check for \$500 independent consideration, (B) a cashier's check for \$1,500 earnest money, and (C) a signed contract in the form provided by the City.

Failure to timely submit the checks and the signed contract may result in rejection of the offer, at which time the City may select another offer. Binding the City to a sale even after submission of the checks and conforming contract by an offeror is subject to recommendation of the City of San Antonio Planning Commission and approval of the San Antonio City Council. But if final council approval is not received within 60 days of complete submission, an offeror may direct the City to return his money and cancel the contract.

The terms of the purchase and sale will be substantially as indicated on the City's form purchase-and-sale agreement. The City may reserve special covenants and restrictions on some tracts, the details of which will be available in the packages to be available beginning February 18. All blank information in the contract must be completed to the City's satisfaction and the property to be purchased must be described at least as well as above. Offerors would be well advised to coordinate in advance on contract completion.

Not all descriptions above are adequate for conveyance and will require a survey. Any survey required or desired by an offeror must be procured and paid for by the offeror.

Visitors to City Hall will be required to enter through the east side of the building during regular business hours. For those that might require the use of a ramp, entry is available on the south side of the building (Dolorosa side). Please plan accordingly and allow for ample time to pass through security screening, sign in and receive a visitor's badge in order to drop off your bid submittal(s).

Beginning February 25, 2011, packages including an offer form and a sample City purchase-and-sale-agreement form will be available via the City of San Antonio Website at <http://www.sanantonio.gov/rfp/> or from Martha Almeria, Management Analyst, (210) 207-6970.
